Re: 2020 Presidential Election

October 3, 2020

Dear President Trump,

The National board of the National Latino Peace Officers Association Advocacy (NLPOAA), on behalf of its member charters, has chosen to endorse your candidacy for reelection for President of the United States.

The NLPOA-Advocacy is a law enforcement organization made up of federal, state, and local law enforcement officers.

The NLPOA-Advocacy supports you because of your fierce and unwavering support for the law enforcement community. In these difficult times for our profession and the repeated calls to defund us, you have continued to have our backs and voice your approval of the men and women of law enforcement. The NLPOAA looks forward to working with you in the future on issues regarding law enforcement, immigration, and issues concerning the Latino community.

We invite our members and friends to support Donald J Trump for reelection as President of the United States.

Congratulations on your endorsement from the National Latino Peace Officers Association-Advocacy.

Sincerely,

Alan Alvarez
Chairman
NLPOA-Advocacy

Darrin Fulton
Secretary
